NOTE FOR THE PORT CONSERVANCY BOARD. (F) 15-6-46 3

The Government of Madras in G.O.No.185 P.W.D. dated 22.1.1947 has requested the Presidency Port Officer, Madras to submit proposals for improving the financial position of the several landing and shipping Funds at the end of the year

Actual receipts during the year 1946-47 under several sub-heads comes to Rs.1,03,695/- as against the Budget provision of Rs.1,14,438/- showing a deficit of Rs.10,743/- where as the charges upto 31st March 1943 comes to Rs.92051/- as against the Budget Provision of Rs.106,634/-

The decrease in the expenditure is mainly due to non-employment of hired labour on account of grab dredger for which a provision of Rs.5,000/- has been budgetted and also due to nonpurchase of fuel, coal etc., required for the grab dredger as the same was undergoing extensive repairs to hull.

The Landing and Shipping Fees was enhanced by 25% with reference to G.O.No.2032 P.W.D. dated 30th July 1945 for a period of one year from 1st September 1945 and the same was continued until further orders with reference to G.O.No.2256 P.W.D. dated 22.3.1946.

In view of the anticipated deficit of Rs.16,298/- in the draft Budget of 1947-48 it is proposed to increase the rate of landing and shipping Fund by a further enhancement of 25% and the proposal if approved will yield about Rs.20,000/- per annum. The Port Conservancy Board is requested to give their assent to this.

Sd/- Port Officer, Mangaore.

The file relates to the proposal to enhance the basic rates of landing and shipping fees leviable at the Port of Mangalore by 50 per cent. with a view to improve the financial position of Mangalore L&S Fund, The basic rates was enhanced in G.O. No.2032-P.W. dated 30-7-1945 by 25 per cent for a period of one year from 1-9-1945. These rates were continued in G.O.No. 2256-Ms. dated 22-8-1946 for further period of one year from 1-9-1946. In order to improve the financial position of the Mangalore Landing and Shipping Fund it is now proposed to enhance the rates by another 25 per cent ie. by 50 per cent in all. The Port Conservancy Board, Mangalore, has approved the proposal and suggested that the enhanced rates shall be in force for a period of one year in the first instance. The P.P.O. has recommended the proposal. The question has been examined in consultation with Legal who have noted that if the proposal is to enhance the rates by 50 per cent in all, the notification 36 dated the 30th July. 1945. continued in force by notification No.32 dated the 2nd August 1946 should be superseded, as otherwise the increase proposed will have the effect of increasing the basic rates by 50% as enhanced by 25%. They have also suggested an ~~aadmendment~~ amendment to the notification. The proposal is to enhance the basic rates originally approved in 1936 by 50 per cent in all. A draft order incorporating the amendment suggested by Legal is submitted below for approval.

2. The file may be circulated to H.M.(PW) for approval of the draft order.
